2 - this tells you that the away team will win

On our 1X2 football prediction page you will find also a combinations of two out of the three options that is considered as a DOUBLE CHANCE.

So having our example from above with the Liverpool - Arsenal game, then the football tip of "1X" means that either Liverpool wins the game or the game ends in a draw.

As simple as that.

First of all, research whatever you can find for this football clash.

Is there a strong favorite or just two mid-table teams? Having all this data mi

ght be always confusing to sort, but believe us, if you choose and put your own

money on a tip that you have gathered data for, then the outcome profit and pleasure will be way more than just giving money or betting on a single source tip.

It's a public secret that live odds are way better than the pre-match odds.
