When choosing the next online casino to join, always consider the welcome bonus. It's actually where new online casino sites tend to come out on top.

We also like NZ online casino sites throw in free spins as part of the first deposit bonus.

At a minimum, an online casino should also offer 100+ free spins.

Of course you also need to consider wagering requirements as this is the key to getting the most out of a casino bonus.

SkyCity online casino for instance offers 70 free spins but these are wager-free, making it one of the best welcome bonus offers.

Aside from the welcome bonus, when we review NZ online casinos we also consider additional casino bonuses for existing players.

Bonus points for online casinos who have special live casino promotions and a VIP programme.
