There's no doubt that false eyelashes look incredible, but are they actually safe to use? According to Dr. Elizabeth Chiang, M.D., Ph.D., an ophthalmologist and oculoplastic specialist, they're generally safe, assuring "they cannot affect your eyesight if applied correctly."

So, how exactly do you apply fake eyelashes safely? Makeup artist and founder of Embellish Beauty, Marcia Williams says you can safely use fake eyelashes with glue by following these two pro tips with every application: Test the adhesive on the back of your hand in case of any skin irritations and reactions.

Round and almond-shaped eyes can handle fuller-bodied false eyelashes.

Measure the lashes before wearing them for a custom fit.

Use small lash scissors to snip a tiny amount of outer lash hairs at a time.

The shorter part of each faux lash strip goes closest to the inner corner of your natural lashes.

Spending an evening on the slots at your local casino.

Betting an informal few dollars with your buddies before the local game.

Since they are not strictly legal or regulated, sites like this can be considered a bit of a grey area.

What Does SCOTUS Decision Mean for Alabama?

That's not to mention the potential tax revenue that's currently being funnelled out of the country by off-shore casinos and sportsbooks taking quasi-legal sports bets from people in Alabama.

As public opinion softens towards gambling and the amount of money in the industry becomes harder to ignore, we expect Alabama to follow the lead of Mississippi, Tennessee and others.

It is now up to the lawmakers to decide.

Will Online Sports Betting Ever Be Legal in Alabama?

Sign up to a casino with Lucky 7.

There is one red betting button, one blue, and one green, the latter representing the "7" bet.

Seeing as this card game is played with 8 decks of cards, that leaves you with 32 sevens in that full shoe, an approximation of one seven every 13 cards on average.

Bet Payout RTP 7 UP 1:1 92.

While Red and Black bets have a 50% chance to land, Odd and Even bets are not as close.

In the table below, you can clearly see the payout of each side bet and its theoretical RTP.
