[Image] Promising review: "Love this dress! I'm 5'4" and usually wear an XS, but I ordered a size up and it was a perfect fit! I would buy again!" -Jenny 5.

These high-waisted leggings with a classic silhouette will keep you comfortable as a button while still feeling trendy.

They're soft and flowy, and I love how they are loose-fitting.

These ultra-soft leggings are a must-have if you're looking for something to wear with leggings that are cute but still look cute.

" -Nancy 8.

This stretchy velvet leggings that are a staple you'll wear every day - they're \$30.

99 and available in black and grey, too! [Image] Promising review: "I was hesitant to order the grey leggings, but it's sooo much better than black, but I'm glad I did because it's a nice color! I was able to customize the waistband.

[Image] Promising review: "We purchased this as a Christmas gift for our family and loved it so much we decided to order another for our friend.

It was super easy to use and it is quite durable.
