## Email Address

A friend of mine turned her printables side hustle into a \$10k+ per month business.

make money selling canva templates on creative market

The easiest thing to do is to a video portfolio that you can show to prospective clients.

LinkedIn

9. Become a Canva YouTuber

On Udemy, you'll earn money every time someone buys your course. Top instructors are earning thousands of dollars a month.

Then, you get paid based on the popularity of your content. Each month, Canva splits a portion of its Pro subscription revenue among its Creators.

1 player games, also known as single player games, are video games that are designed to be played by a single person.

These games can be played on a variety of platforms, including consoles, computers, and mobile devices.

One player games often feature a story or objective that the player must complete alone, without the need for other players or opponents.

These games can be challenging, but also rewarding as they allow players to focus on their own progress and experience without distractions or competition from other players.

One player games also offer a convenient form of entertainment for those who prefer to play alone or have limited access to other players.

Overall, 1 player games are a popular and enjoyable form of video game entertainment that can offer hours of fun and satisfaction to players of all ages and skill levels.

This winter is bringing out my preppy side, with gift-inspired bows clipped into my hair, a J.

Add a timeless Tory Burch bag to your collection during the brand's Cyber Monday sale, especially while the Perry tote is over \$100 off.

The Perry is a customer favorite, and this newest, roomier update has quickly become a go-to for many shoppers needing a little more space, as it includes additional pockets, longer straps, and a compartment for your laptop.

Another added that this is one of the best totes they've found because of its "durability, style, and color schemes" (of which there are seven!).

And if you're wanting to try something a little trendier, there's no better time to go all-in than during a sale.

Try out the trend while still keeping it timeless like Tory Burch with the brand's T-Monogram Studio Bag.

Many of the products you buy each day come from companies that will send you ton
