Sports betting is expected to arrive in Ohio soon and our partner Tipico Sportsbook is giving you a crash course so that you're ready to go when it's finally legal.

Here are a few terms you should know to get started: Point Spread
An example of a spread is a spread at -2.

It's important to remember the favored team is always listed alongside the minus sign.

As for the underdog, that team is always listed with a plus sign.

In our example, the underdog would be +2.

But what if you don't have any interest in final scores, you just want to be

on the outright winner. Money Line

This means you're not betting for one team to win you're cheering for goals.
