The odds were last updated on July 6, 2023: FIFA World Cup 2026 France +450 England +800 Argentina +900 Spain +900 Brazil +900 Germany +1000 Portugal +1400 Netherlands +1600 Italy +2000 Belgium +3300 USA +3300 Uruguay +4000 Mexico +5000 Denmark +6600 Croatia +6600 Viewership for the FIFA World Cup is exponential.

Top World Cup Betting Prospects For 2026 The domestic and European soccer leagues are well underway.

NRG Stadium, Houston (USA)

Gillette Stadium, Boston (USA)

Here's an example of a moneyline we'll use the 2022 FIFA World Cup final: France -225 Argentina +165

The issue with having the tournament every four years is that you never get the exact same team twice, so teams perform vastly different each World Cup, and there have only ever been two back-to-back champions in the history of the tournament.

Now that you know how to bet on the World Cup, you need to find a trustworthy sportsbook to place your wagers.

For instance, a bet on a game of football is good, but a bet on a game of basketball is good too.
