While the company has a strict Anti-Manipulation Policy for Customer Reviews and

encourages consumers to report suspected bogus reviews, many people do not know

how to do this.

Amazon has a very functional review system and takes the lead when it comes to t

he largest source of reviews on the internet.

Step 2: Scroll down until you find the suspicious review you want to report.

Additional measures and reporting

Perhaps the quickest way to get Amazon to notice possible misleading advertising

is to return the product you bought and get a refund.

Sellers who manipulate reviews risk facing legal action. This could lead to crim

inal or civil penalties if the misconduct is in violation of state or federal la

ws (such as the Federal Trade Commission Act).

Amazon encourages genuine customers to report suspected review manipulations or

other forms of guideline violations.
