Outside of that, Thunder Valley Casino Resort is among the top casinos in the market, just a half-hour drive from downtown Sacramento.

In earlier times, when the Hawaii islands were first discovered in the late 18th

century, gambling was popular amongst the residents and played yearly at a festival called Makahiki.

In 2010 and 2011 Hawaii considered, but ultimately denied two casino-related changes.

So, if you want to bet on NFL football, for example, Hawaii's definitely not the place to be.

However, in the event that online sports betting becomes legal, Hawaiians can expect a similar approach to what other states are currently offering.

Gamblers in Hawaii shouldn't expect any immediate changes to the laws that have been in place since the state formed all the way back in 1959.

As more and more states begin to enter the world of legalized sports gambling, we might see the more conservative states like Hawaii change their tune.

If anything does change in Hawaii it will most likely occur after several others

take the plunge and test the waters both economically and politically.
