View Feeds Accurate 1X2 Bets

Do you know what 1X2 means in football predictions? 1 = Home Team Win, X = Draw, and 2 = Away Team Win.

On this page we introduce up to 200 daily 1X2 tips and predictions backed up by accurate data.

In order to make accurate 1X2 bets, you're usually recommended to research the home team's win percentage, as well as their current form at home.

Conversely it's also beneficial to look at the away team's away run performances and their form at the same time.

Generally if the win percentage of the home team is higher, it's recommended that you bet 1 (home win), and if the away team is better, then 2 (away win).

If you're not sure, X (draw) is what is typically selected

Points per game of each team is also a reasonable measure of how the team performs at each venue since points per game takes into account draws (or, X in the Tj T* BT
