The classic version replicates a blackjack table at a casino. For all versions of online blackjack except European Blackjack, the dealer peeks for blackjack at the start of the round.

Jacks, Queens, and Kings are worth 10, and Aces are worth 1 or 11; you control your Ace's value.

One rule you'll always see written on the tables dictates what a dealer does with a score of 17.

The dealer then add another card to each.

YouTube gives creators a place specifically to put an email for business inquiries.

Brands know all about it and so should you.

The top three ways to monetize your YouTube channel and videos.

After you've created several videos, it's time to join the YouTube Partner Program. All you need to do to get started is enable your channel for monetization, and you'll receive your share of the income from advertising on YouTube.

The next way to monetize your content is with affiliate marketing. Simply apply for an affiliate program like Amazon Associates and you can earn up to a 10% commission on any sales that occur after a visitor clicks on your link.

Affiliate marketing is one of the primary ways product review channels build their income quickly. Marques Brownlee from the YouTube channel MKBHD is a great example of how to include affiliate links on your YouTube videos. Whenever you make a product review, include your affiliate links in the description.

FameBit is just one way channels with more than 5,000 subscribers can connect with brands.

Each of these separate revenue sources may not bring in a lot on their own, but combining all three can quickly add up to a substantial income. The internet and platforms like YouTube have made it possible to turn your passion into profit and your creativity into a career - but you have to do the work. Building your influence on YouTube takes time, hustle and heart. Be consistent, focus on adding value to your audience and always keep learning. Now press record and start creating!
