The regular Amazon Rewards Visa Signature Card is also getting a glow-up. Now with the simpler name Amazon Visa, it earns 3% back on purchases made through Chase Travel and 2% back on local transit and commuting, including rideshare. These are in addition to the existing earning structure.

And, just like its Prime sibling, you'll now be able to earn, view and redeem

the rewards you earn on your card daily rather than monthly.

2% back on local transit and commuting, including rideshare (new).

If you spend a significant portion of your budget at Amazon and Whole Foods and

want cash-back rewards, both the Prime Visa and the Amazon Visa are good card options for you. Plus, the Prime Visa's welcome offer is worth up to \$275, which

is quite valuable for a cash-back card.
