With their content proving popular at home, the company swiftly moved to add an online gaming arm to their portfolio, known as EGT Interactive.

Today, EGT is a leading games and software provider, with offices in four different continents and a huge team of designers and engineers.

They continue to release interesting new slots on a regular basis, and you can try these out for free on this page, or you can play them for real money on site

s you can find in our list of EGT casinos.

The 7s in this title hold the key to a great Wild feature, with a big win in store should you spin a straight line of them.

For a bit of childish fun, Penguin Style is a light-hearted slot that has a pleasant wintery feel.

EGT's range isn't just restricted to slots, either.
