Since a Supreme Court ruling in 2018, 30 states and DC now offer some form of sports gambling.

That leaves 16 states with no form of sports gambling.

A 34th state, Florida, briefly allowed sports gambling, but that has been halted and is now in limbo.

You can click on any of the states below to find more information.

Details for each state are from the states, with lots of assistance from Action Network and Legal Sports Report.

States with legal mobile and in-person betting

States with legal mobile betting

States with legal in-person (retail) betting

all nigeria football betting site.

[Instagram] The site is an online sports betting site that has thousands of players who will be playing each other in a game of football.
