

the tote bag replica

Place bets all you want without the dread of having your account restricted. Tote is known to be a lot more generous with its bet size limits and tends not to close or restrict sports bettors.

Some of the reasons are fair enough, if you are rude to staff in a betting shop we think you deserve a ban and if you have a perceived problem we think you should be getting help, but if you are a legitimate punter and are banned for winning too much that can seem unfair.

Stake bets in round numbers you are less likely to look like a pro-punter then

If gambling is a problem for you and you're gambling beyond your means, or it is just causing your anxiety and stress, you should stop.

Popular Questions Can betting sites ban you for winning too much? Betting sites can ban you for winning too much because they are a profit-making business.

Online bookmakers want to accrue lots of punters who regularly lose whilst restricting those that win.

The business plan for betting companies is to take your bets if they think you are going to lose in the long run.
