The office is almost all box - furniture, printers (regular and 3-D), computer,

at least 13 hard drives and four routers. The art on the walls came this way; the

new shelves installed to store the items from the porch boxes came through porch

boxes. The camera system through which the porch boxes are surveilled was itself

unpacked from a porch box. The worry is thieves, though the camera mostly catches

wildlife: rabbits, turkeys and mice, with an elk every once in a while, and,

so far, one coyote and a bear.
