The first point to note is that a sign up offer is available to customers only o

nce, barring any case of exceptional circumstance.

The principle of these offers is simple, each sports betting site offers a part

icular advantage to new players, which can take the form of a free bet or an inc

rease on the first deposit placed at the site.

What are the different types of bookie sign up offers?

This factor is somewhat straightforward, as we have analysed the highest bonus

available at each site to determine which is the most generous.

The second criterion is also of great importance - the type of free bet offered.

We researched each promotion to find the details of the conditions required to

obtain each offer - be they a minimum qualifying bet, a timeframe in which the o

ffer is valid for or the number of steps required to qualify for the bonus.

The final piece of advice is to prioritise bookmakers that have been granted a

license by a regulator body.
