Important Facts about Legal Gambling Age
The gambling age limit in most states is 21
In the United States, this is the actual law and you should never, under any circumstances,
play any online casino games for real money if you're under the
age limit.
There are many reasons why you should avoid gambling while legally underage.
It may seem that it is easier to get away with it online as there are many internet
casinos that won't ask for any verification documents until after you have
requested a cashout.
As discussed earlier, even if an operator wanted to pay you, they could get into
legal problems themselves by knowingly paying money to someone under the minimum
gambling age.
No casino will take that risk.
Some examples include Alaska, Wyoming, Minnesota, Oklahoma, Washington, South Carolina,
and New York.
