Announcing the roll out, David Pluck Ltd Chief Executive and Owner, David Pluck said:

"SSBTs have already proved to be incredibly popular with our customers, par ticularly for football bettors, with over 80% of staking being on football and m uch of it incremental.

They have enhanced our football performance and driven turnover and margin and bring in new customers to enjoy the huge variety of football selections and mark ets offered.

After an early trial it was an easy decision to make to roll the terminals out to all shops, and from terminal 1 to a full estate rollout it was achieved in le ss than 3 months, in part to the professionalism of BGT. "

" It is also a clear indication of the part that BGT terminals play in cater ing increasingly for customers ' demands across more and more shops. " We look forward to extending our relationship with David Pluck, with both

parties committed to developing the BGT software, resulting in continuous produc
