28 Ways to Make Money Online in 2023

You can choose to hire a writer for your ebook, a graphic designer to design the cover, and a manuscript editor to eliminate errors from the content. When researching the topic, focus on keywords based on popular searches on Amazon. I often use the Keyword Tool, which allows you to find the words people use while searching so you can craft your title around them.

ideas to make money online

Use platforms like Fiverr to find part-time gigs that you can do online. As a ne w entrant in the gig economy, you'Il want to focus on offering a low price s o you can get your first review. I'd recommend getting a friend to buy your gig to leave your first review so you can get started faster. Treat the friend I ike a client and actually deliver a finished product that you can feature in you r portfolio.

Want to make a great first impression on the customer? Include high-quality product images in your listings. You can hire a Shopify Expert to create product pho tos for you or take a photography course that equips you with the skills to shoot and edit your own images.
