BetOnline Mobile App for Android

Instead of the traditional downloadable app from Google Play store, BetOnline offers Android gamers a mobile platform that is based on their regular mobile browsers.

To begin playing on your Android mobile device, all you need is to ensure you have installed a good web browser on your Android device.

We will expound further on the compatibility issues in the next section.

BetOnline Mobile Bonus Offers

To claim your bonus, simply send an email to the customer support team with the subject as " \$50 Mobile Free Play";

System Requirements and Compatibility

The brand is operated by Blue High House S.

5 billion (\$340 million) in gross gaming revenues every year, with football and handball being the biggest earners for the industry.
