Chanel Medium/Large Classic Flap Bag Lambskin (or Caviar)

In order to decide which country is the cheapest to buy your next dream Chanel bag, we're going to compare prices between 9 different countries: United States, Canada, Europe, United Kingdom, Singapore, Australia, Japan, United Arab Emirates, Dubai, and Hong Kong.

We've chosen the ever-popular Chanel Medium/Large Classic Flap in Lambskin or Caviar for obvious reasons, the main one being it's a stunning and elegant piece that's craved by women across the world and adorned by top celebrities and models.

Singapore and Australia have a GST (goods and services tax) while Japan has a consumption tax.

Dubai and Hong Kong do not have taxes on goods sold, but that does not necessarily mean you're paying less- it all depends on the retail price.

This is the amount you will pay after receiving your tax refund.
