Unfortunately, daily fantasy sports competitions are not included under the current online sports betting laws in Washington State.

It is only legal to use a tribal casino's sports betting app on their grounds to place a bet online.

More of the casino operating tribes are signing deals with established major national bookmakers such as BetMGM, DraftKings, FanDuel, and Caesars.

With the app, players will be able to place bets with a wealth of statistical information at their fingertips, with each event having a special tab that shows all the important information about a game.

This comes alongside a daily selection of high-value parlay bets and specially selected odds enhanced lines, not to mention their huge selection of promotions and bonuses.

Since the first legal retail sportsbook in Washington State opened in September 2021 the market has gradually been expanding.

The decision to bring legal sports betting to Washington State came as a surprise to many industry observers as the Evergreen State had historically heavily enforced laws controlling gambling.
